Responsive Web Design

Soft Skills

Teamwork Adaptability

Problem Solving

Certifications

Full-Stack Web Development Certificate

Masai
Completed 2,160 hours of practical learning in a web development program.

Sashanka Sekhar Samal

Full Stack Web Developer

Professional Summary

Dynamic Full-Stack Web Developer with strong proficiency in JavaScript and MERN stack (MongoDB, Express.js, React.js, Node.js). Skilled in designing scalable web apps, using Generative AI for innovative solutions, and learning new technologies swiftly. Excellent problem-solving and collaboration abilities enhance team productivity.

Experience

ImpactDash | S D E November 2022 - September 2023

- Collaborated with a team to design and implement scalable product development strategies, ensuring alignment with customer agreements.
- Developed and integrated APIs, enhancing the software infrastructure and improving functionality.
- Programmed clean and scalable code, contributing to reliable and robust software solutions.
- Analyzed and debugged complex code issues, improving overall performance and stability of applications.

Projects

Aqua World [Live Demo Link](#) [Github Repo Link](#)

React Redux Node.js Express.js MongoDB

CSS3 Git Responsive Web Design

- Developed an advanced web application using the MERN stack for buying aquarium products.
- Implemented a user-interactive home page, ensuring seamless user experiences with React and Redux.
- Designed RESTful APIs using Node.js and Express.js for efficient server-side operations.
- Optimized database models and queries with MongoDB for enhanced performance and scalability.
- Integrated Git for version control and collaborated effectively using Git workflows.

Chroma [Live Demo Link](#) [Github Repo Link](#)

HTML5 CSS3 Responsive Web Design JavaScript

- Collaborated with a team of 4 to develop a user-interactive home page for an e-commerce platform using HTML5, CSS3, and JavaScript.
- Integrated the frontend components with backend systems to enable seamless user login and registration.
- Ensured responsive design for optimal performance across various devices.
